

Quilt Show Registration

Remember the deadline to register your quilts for the quilt show is tomorrow - **Friday, September 30!** Due to really low registration numbers, we are allowing you to enter more than three quilts in the show! You can now enter up to 5 quilts. Aside from the challenge quilts, remember our show is not a judged show, so don't think that your quilt needs to be of a competition quality. Let's make sure we provide our show attendees a nice number of quilts for them to see and appreciate.

Remember, the Wall Quilt Challenge is open to everyone, so if you have a friend who is joining in the fun, please remind them of the deadline.

Registration forms and guidelines for members entering quilts in the show and for individuals who are entering a quilt in the Wall Quilt Challenge are available on the guild's website (www.lincolnquiltersguild.org). Remember, you can register your quilt on-line on the guild's website. It's quick and easy!

Quilt Show Children's Activities - Volunteers and Scraps Needed

With two activities planned for children and youth at the quilt show, we would appreciate your assistance. Volunteers are needed throughout the show. Volunteers will assist families with a scavenger hunt and an activity allowing children to craft their own quilt block using paper, glue and fabric. This would be a great opportunity for teenage youth. As the
