

Lincoln Quilters Guild Announcements

Budget Proposal Vote

The results are in.
79 members voted and the Aye's have it with 98.7% of the vote.
Thank you to the Finance Committee for their hard work on this budget.

Thank you all for voting!

Installation of New Board

Due to Covid concerns, the new board installation will occur via phone. Kath Conroy from Nominations will be installing each Board member over the phone. When we can meet in person again next year, we will present the new Board to you at that time.

November ZOOM presentation

At 7 pm on Monday, November 9, Jenny Kae Parks will be presenting a program on *Color Courage for the Fabric Phobic*. This program will include practical methods to select colors and fabrics for your next project.

We are able to allow guests who contact president@lincolnquiltersguild.org (by noon on November 9) to join the meeting for a \$5 fee. Last month we had 6 visitors join our meeting.

Join the Zoom Meeting with this link:

(The link has been removed from this archived copy of the email to avoid making it public.)

We will send a reminder on Monday with more detailed instructions for joining a meeting in case Zoom is new to you.

CONGRATULATIONS LINCOLN QUILTERS GUILD

We've hit and exceeded our goal of 500 placemats! Thank you for all your hard work. We are still accepting any extra placemats that you'd like to donate. We

will check to see if Meals on Wheels would be able to use more than our original goal--maybe their client list has increased during this difficult COVID time.

When we deliver the placemats for Meals on Wheels clients we'd like to include a mask for each recipient. If you can make some masks for this goal, that would be great!

More news on the mask project...Lincoln Covid Sewists have now made 24,246 masks. They continue to hear from non-profit groups who are needing extra help right now as their resources are stretched to the limit with providing services. We can help by making and donating masks.

Placemats can be dropped off at the College View church south entrance on November 6 between 9:30-11:30.

Masks or placemats can be dropped off any day at Sheila Green's house (in the tote on her porch at 7950 Cooper Ave).
