### Lincoln Quilters Guild Membership Survey

Thanks so much to the membership (37%) who provided opinions through the membership survey. The thoughtful comments were especially important for us to review. We were pleased that many of the suggestions have been implemented or are under consideration. However, due to the topics and number of questions and comments, the board will continue to review the data. The information will come before the membership very soon.

### Volunteers Needed

**Silent Auction:** As of today, we do not have a committee chair or enough volunteers for a silent auction, tentatively planned for late October (IQM has several dates available). If we do not have enough volunteers by the end of May the Board will strongly consider re-visiting a silent auction in 2023. If you want more information or are interested in volunteering, please contact Connie Soucie.

**50th Anniversary Celebration – 2023:** Volunteers are needed for the 50th celebration in 2023. Our goal is to start planning now. This is an opportunity to use your creativity in building a fun event for all. If interested contact Lisa Burham.

## Looking for something to do with your friends in this nice spring weather?

The [Red & White exhibition](#) by Joanna Rose will be at the International Quilt Museum until September 11, 2022. As the weather gets better this is a nice day trip and the red and white quilts are fabulous. And the other galleries have new exhibitions in honor of the IQM's 25th anniversary which will be celebrated with the board on May 21st.
