Lincoln Quilters Guild Announcements

Membership Survey

Thanks so much to the membership (37%) who provided opinions through the membership survey. The thoughtful comments were especially important for us to review. We were pleased that many of the suggestions have been implemented or are under consideration. However, due to the topics and number of questions and comments, the board will continue to review the data. The information will come before the membership very soon.

Volunteers Needed

Silent Auction: As of today, we do not have a committee chair or enough volunteers for a silent auction, tentatively planned for late October (IQM has several dates available). If we do not have enough volunteers by the end of May, the Board will strongly consider re-visiting a silent auction in 2023. If you want more information or are interested in volunteering, please contact Connie Soucie.

50th Anniversary Celebration – 2023: Volunteers are needed for the 50th celebration in 2023. Our goal is to start planning now. This is an opportunity to use your creativity in building a fun event for all. If interested contact Lisa Burham.

May Speaker - Susan Cleveland

Susan Cleveland was a wonderful speaker at our May meeting. Such great energy, humor, common sense, and innovation were evident in her work. Ninety-Nine (99) people attended the Monday night program, and thirty-two (32) people attended her half-day workshop on May 10th at the International Quilt Museum.

June 13, 2022 – Mark your calendars for member appreciation night

June is our opportunity to celebrate the Lincoln Quilters Guild members. The venue and time will change for this meeting so mark your calendars:

International Quilt Museum

Time: Museum opens at 5:30 p.m. and closes at 8 p.m.

Business meeting - 6 p.m.

Speaker - 6:15 p.m.

Opportunity to visit the galleries until 8 p.m.

Pippa White, One's Company, will be our speaker with a title of "Women's

Work". This short one-act play will include stories about a quilter and woman's work, past to present. The play will take us back in time when woman's work meant domestic work. Of course, even when most women were at home, they were doing so much more than just "keeping house."

Please be sure to join us for a fun evening of celebration.
