MARCH MEETING

For the Guild's March meeting, we will have Barbara Brackman from Lawrence, Kansas. She will present her program "Out of Control: Quilts That Break the Rules". This slide show looks at the work of quilters of the past who have ignored the rules and produced quilts with a visual surprise in each. The quilts are funny, they are bizarre and they give us a new view of how we define 'quilt'. The lecture is an expansion of a chapter in Quilt Digest III.

MARCH 10TH WORKSHOP 12:30 to 3:30

Barbara Brackman presents "Yipes, Stripes!". This is a workshop using striped fabrics to obtain unusual effects like the Kaleidoscope quilt, the twisted ribbon or an interwoven look. Participants will also use striped fabric to imitate traditional patchwork--especially useful in miniature or doll quilts. Workshop participants will design and piece a block or miniature quilt and come away with a new view of the neglected stripe.

We will start taking applications at the February meeting. Give checks to Pam Haas and she will in turn give you a list of supplies needed. The workshop fee will be \$15.00. The class is limited to 25 people. If you have any questions call Shelly Burge.

MARCH 11th WORKSHOP 9:00 to 12:00 noon

This workshop is sponsored by the Nebraska Quilt Project Committee.

Barbara Brackman will present a workshop on "Dating Quilts". A course on identification and dating of antique quilts using clues in pattern, fabric, quilting, etc.

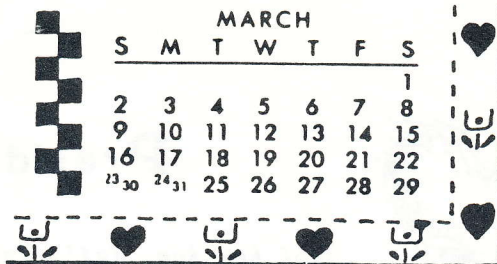

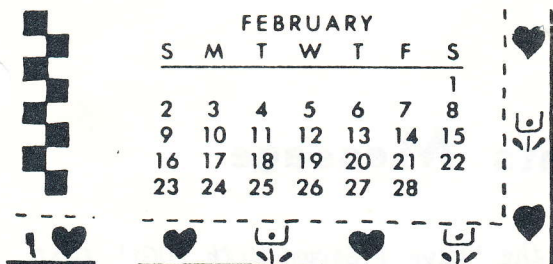

The fee for this class is \$15.00 and checks should be mailed to Shelly Burge, 5701 South 112th Street, Lincoln, 68506. Make checks payable to the ~~Nebraska Quilt Project~~. The class is limited in size, so it will have to be on a first come, first serve basis. If you have any questions, please call Shelly Burge.

HELP!!!! HELP!!!!

The Guild is doing a one day show at the Hilton Hotel in conjunction with the Nebraska Tree Conference, February 14; 10:00 to 5:00 p.m. We need tree related quilts large or small to hang in the show. Pam Haas and Karalene Smith could use help hanging the quilts (7:30 a.m.) and taking them down. If you have a tree quilt or have a friend who would like their quilt displayed for a day, call Pam Haas 421-1446 or Karalene Smith 477-4788. someone will be with the display all day.

HAPPY BIRTHDAY !!!!!
 To the Lincoln Quilter's Guild (1973 - 1986)

Presidents Message

Just for fun, let's take the "Have I Grown With LQG?" test. Ask yourself the following questions and give yourself one point for every 'yes' answer.

1. Has my 'personal involvement time' for LQG increased in the last year? (Quilt show helpers, give yourself a '2').
2. Has my enthusiasm over quilts and fellow quilters increased? (block of the month participants--an automatic '2').
3. Has my tolerance for opinions differing from my own increased? (Be honest!!)
4. Have I joined or started a 'friendship group' yet? (Just kidding....no score. But DO consider it).
5. Have I quit complaining about the business portion of the meeting? (If not, deduct '2' from your score!)
6. IS LQG my favorite vice: better than chocolate, shopping sprees, and the state lottery? (P.S..... hoarding fabric and patterns go with the LQG vice.)

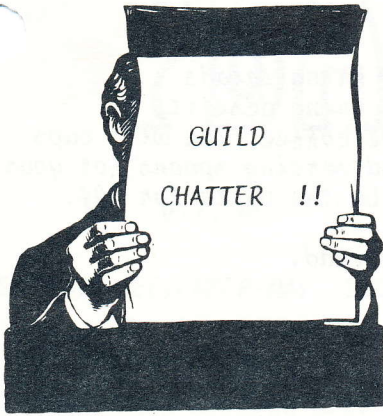

Now add up your score....and feel smug. Happy Birthday LQG....you have grown and so have we.

WINNERS OF THE AMISH FRIENDSHIP BLOCKS WERE:

Shelly Burge
Doris Von Seggern

CONGRATULATIONS!!!!

DON'T FRET, THERE'S ONE MORE FRIENDSHIP BLOCK
COMING.....YOU just might win this time!!

- ## The Quilt show at the Historical Society has been extended through February 28th. Members of the Guild will be demonstrating quilting at the Historical Society on February 6, 7, 13 and 14, from 9:00 to 1:00 p.m. each day. A quilt will be in the frame to work on or bring your latest project and join us for a little Quilting Bee.
- ## Shelly Burge would like to find a pattern to build a quilting frame. If you happen to have one, she could buy or borrow, please give her a call.
- ## Those of you that have names of persons willing to do quilting, please pass those names and numbers to Brandy Ladd or Karalene Smith. Very often the Guild receives inquiries for this. The list also will benefit members when time is at a premium on a project. PLEASE!!!

HALLEY'S COMET

The City Parks and Recreation Department will be burying a time capsule at Hyde Observatory on April 11, 1986. The Guild has been asked to include a quilt block in the capsule.

Members are asked to design a 12" or 14" block on paper, that would represent Lincoln, the comet or Nebraska. At the March 10th meeting, we will select the winning design. The block will be made by the designer, or another member if wished, and will bear our organization and the designer's name. The pieced block will be placed in the capsule, to be opened again in 76 years when Halley's Comet will be seen again.

ALL DAY QUILTING BEE

On February 22nd, Saturday from 9:00 to 4:00p.m. the Lincoln Quilter's Guild will hold an all day Quilting Bee as our foremother's might have. This will be located in our usual meeting room and admission will be \$1.00 per person to help offset the cost of the room for that day.

Members that did not participate in the covered dish dinner in September, don't despair, we haven't forgotten about you.....this is your turn!!!!

(con't).....

ALL DAY QUILTING BEE(con't):

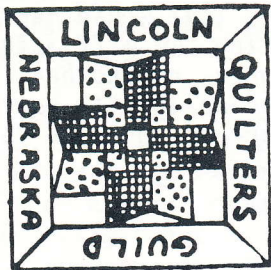

Guild members with the last names M - R are asked to bring salads
