TREASURER'S REPORT

There have been some positive figures in our financial picture this year. We are pleased to have our membership up over our projection. Notecard sales have been good this year. Our Nebraska Windmill Guild pins made their debut at the November meeting. We are hoping

each member will want to own and wear one of these lovely pins. We hope you will also consider using them for gifts. The Guild has made a financial investment and hopefully realize a small profit for the Guild.

As we look forward to May and the balance of this financial year, we still have budgeted obligations yet to pay. We also have more newsletters to publish and mail as well as programs to publish and the raffle quilt to pay for. The amount needed is estimated at around \$3600.00

It will be important for our membership to support the Guild by arranging to attend lectures and workshops when possible, buy and use our notecards when you can and be the proud owner of one of our Nebraska Windmill pins.

A reminder to our sellers: As the State sales tax increases January 1, 1987, the notecards will then be \$3.17 and the pins will be \$5.28 including tax.

----Donna Svoboda, Treasurer

PRESIDENT'S CORNER (con't)

The Lincoln Quilter's Guild has received a letter from George W. Neubert, rector of the Sheldon Memorial Art Gallery thanking us for our support of the current Woven Threads exhibit. American quilts, oriental carpets and contemporary fibers are featured. The show will close January 19. Check viewing hours before making visiting plans. Guild members helping with the show were Carol Dunklau, Doris Von Seggern, Paulette Peters, Mary Ghomley, and Mildren Fauquet. Judy Fitzgerald is guest curator.

KEEP GROWING IN THE JOY OF QUILTING

Our common love and enjoyment of quilters, quilts and quilting binds us together in the framework of the LQG. This unity gives us a wonderful advantage. We can keep ourselves growing in the joy of quilting by sharing costs for quality programs. To preserve the credibility we now enjoy, dues need to be increased.

Our treasurer, Donna Svoboda, has diligently surveyed sixteen quilt guilds of comparable size across the United States. Only one of the surveyed guilds has lower dues than ours. Most are in the \$10.00, \$12.00 and \$15.00 range.

At our January meeting, the LQG board will propose a dues change from the now \$6.00 to \$10.00 effective for the 1987-88 year. This proposal will be voted on at the February meeting. Keep us growing in the joy of quilting.

TERNOON WORKSHOP PROJECTS

The LQG afternoon workshop under the leadership of Mildred Fauquet has been working on two very exciting projects. Making lap quilts for Lancaster Manor provided a fun opportunity for members to experiment with discarded fabric and create attractive cover-ups. Several were delivered to Lancaster Manor before Christmas for patients' gifts. Lap quilt size is 30" x 43" with 36" ties at the top. A lap quilt work session for the afternoon quilters will be held at Mildred Fauquet's on January 20 from 9:00 to 4:00. Bring your sack lunch or stop in awhile to help. Many materials have already been donated, but do bring scissors. The second project the afternoons are working on is an applique baby animal quilt for the Children's Zoo. We're all looking forward to show and tell when we can get a peak at it!!!!!!

SPECIAL NOTE:

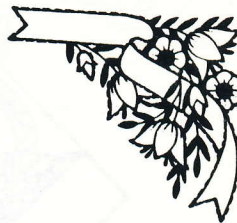

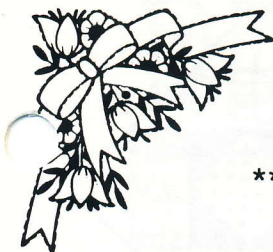

At both the January and February meeting, the refreshments will be served BEFORE the meeting, at 7:00 to 7:30 p.m. Hopefully, this will eliminate the long, late meetings since so many of our members have some distance to drive home. Programs will start as usual at 7:30 p.m.

Can you help with cutting the raffle quilt? Come, January the rotary cutters will be whirling and the quilt will be cut and distributed for piecing. Of course, quilters like to eat and talk, and plenty of that is planned. If you would like to help, give Suzanne Kalish a call at 477-2022, evenings.

And, speaking of the raffle quilt, are you working on your quilt for the Lincoln Quilter's Guild Quilt Show planned for the fall of 1987? If you would like to help with the quilt show, contact Pam Haas at 421-1446 or Carol Dunklau at 435-0686

Congratulations to Jan Stehlik for her winning stocking, "Country Memories". Patterns will be available at the January meeting. Also, congratulations to Shelly Burge for her winning mini-socking!!

BEDDING IN BYGONE STYLES
QUILTS AND COVERLETS

The Stuhr Museum of the Prairie Pioneer proudly presents a selection of quilts and coverlets to be exhibited in the gallery of the Main Guilding, December 16, 1986 through March 8, 1987. Appliques, log cabins, and signature quilts are but a few styles exhibited. The oldest quilt is a "Rose of Sharon" that was made by a seamstress in 1776.
