

Lincoln Quilters Guild • Quilting Since 1973 • Meeting second Monday of each month • Sep. through May, 7:00 pm

Our October 8th program will feature Megan Legas who will speak to us on "Adapting Amish Color and Design".

In November, Sandy Anderson will talk about one of our favorite quilting friends, Sunbonnet Sue and ask the question "Is Sunbonnet Sue a Saint or a Sinner?" Cuddle Quilts

Just this one time, come to the October meeting early to work on Cuddle Quilts. Contact Sue Volkmer to be sure, but, I believe the time to arrive at the Church is 5:00pm.

...and while we're on this subject, LQG has received the following thank you from St.Elizabeth's:

On behalf of Saint Elizabeth Community Health Center, I want to express our sincere appreciation to you all for the beautiful quilts you donated. We passed each one on to some very special babies. The babies will undoubtedly receive endless pleasure and comfort from their priceless gift.

Thank you for your wonderful kindness.

Signed,

Fall Boutique

Our annual boutique will be held before (6:45) and after the November guild meeting on November 12th.

The boutique is open to any member who has handcrafted merchandise to sell. You are responsible for pricing, tagging and the inventory of your own items. Ten percent of the sale price goes to the Guild.

Each year our selection of wonderful merchandise has grown to bigger and better than ever...and we expect more of the same this year!

If you are interested in participating, please contact Pat King at 488-9226 for a merchant's number or for more information.

Tree Ornament x-change

It is time for your creative energies to focus on tree ornaments which will be exchanged at the November meeting. If you are interested in participating, please bring a handcrafted ornament with your name attached. We will collect them as you arrive and you may pick up (exchange for) another's at the close of the meeting. You can bring more than one ornament to exchange is you wish.

For more information, contact Bonnie Daley or Dab Ahl.

Card Tricks *October Friendship Block*

...from Mickey and Pat Andersen

Here's a "tricky treat" using border or wide stripe prints for the cards, two prints for alternating cards or four complimentary prints. The background pieces are white.

The pattern shows the grainline for the background pieces, but the direction of the pattern dictates grain for the cards.

Hint: In assembling your blocks think of it as a nine-patch and put those sections together before assembling the blocks.

Farmer's Star *November Friendship Block*

...from Charlotte Bull of Missouri for the friends of Pat and Mickey Andersen
 Charlotte is one of Pat's penpals and the editor of the newsletter for her quilter's guild.
 Pat and Mickey often share quilt patterns with her and last month Charlotte issued the "Old Susannah" friendship block for her guild.
 Now, we thought you might enjoy this "Farmer's Star" pattern.
