At the February 11 meeting, Shelly Burge will share her experience at the world's largest quilt festival in Houston, Texas.

Shelly has also prepared a short 10 minute talk about the NQA teachers who will be in Lincoln in June for Heartland '91.

Are you missing?

If you were on the serving committee for the November meeting and have now noticed that you are missing a glass plate, call LaDonna Pankoke.

Bring your can...

March will also be the time for our Easter food drive. Containers will be set up by the refreshment table to take your canned goods.

March Meeting

On March 11, Nancy Martin will speak to us on "Threads of Time." Nancy is a nationally known lecturer and teacher. You may associate her with "Ocean Waves" or half-square triangles. This program is Nancy's latest on historical and antique quilts. It is based on her newly released book by the same name. Nancy recommends that if you want to purchase her book, you do so at the local quilt shop and bring it for her to sign. However, she will have copies available for purchase after the lecture and at the workshops.

Her workshop on March 11 is entitled "Pieces of the Past." This workshop focuses on creating contemporary scrap quilts reminiscent of those made in the past. Students will design, color and begin piecing in this workshop.

On March 12, Nancy's workshop is called "A Dozen Variables." Students will experiment with variations in color and two-block sets based on the variable star block. Nancy will teach fabric selection for multi-fabric quilts and work with a color recipe.

It's our birthday

...from Mona Jean Easter

Birthdays and gifts just go together, and we all want to celebrate the eighteenth birthday of the Lincoln Quilters Guild! So, let's focus on a gift exchange. To participate in this giving/receiving fun, plan to bring a small item to the March Guild meeting. It can be anything which you yourself would like to receive, such as a pieced or appliqued block, a thimble, a pin, any crafted item, a sewing accessory, or whatever else you can think of. If you're short of time to make something, or find something, why not buy a package of LQG notepaper to give as a gift? Each gift should be wrapped, and we're suggesting that you put it in a paper bag, fold over the top of the bag, punch or make holes in the folded section, and tie with a ribbon or piece of fabric. Everyone who brings one, will receive one!

March Friendship Block

Instead of making a friendship block for the March meeting, bring a fat quarter. These will be substituted for the blocks, and names will be drawn in the usual manner.

To make it a special birthday observance, tie it with a ribbon.

Cuddle Quilt Update

..from Sue Volkmer

Cuddle Quilts have been delivered to St.Elizabeth pediatrics and neonatal units; Bryan and Lincoln General Pediatric Units; the Multicultural Awareness Center, the Lincoln Pregnancy Center and Friendship House. One quilt was also sent to the Aids Quilt project for children. As of January 15, 1991, 127 cuddle quilts have been delivered. The quilts are being given to those who are ill or in need of some assistance. If you know of an individual or group that could use some children's quilts, please call Sue at 781-2896.

Cuddle Quilt Workshop

Please join us to work on Cuddle Quilts in a day of friendship and fun. A workshop will be held Monday, February 11, at the 7th Day Adventist Church, 48th and Prescott from 9:00 am until 3:30 pm. Bring a sack lunch.

The emphasis will be on log cabin cuddle quilts. We will need 3 or 4 irons, rotary cutters and mats, and sewing machines. Please call Sue Volkmer at 781-2896 if you can bring one of these items.

Even if you can only come for a couple hours , or just the morning or afternoon sessions — please come!

The cuddle quilt project will have a sale table set up during the workshop on Monday, February 11, and also at the February meeting that same evening. Any donations of quilt magazines, books or craft patterns is appreciated. All money is used to purchase batting for cuddle quilts.

To the Lincoln Quilters Guild

The staff of the St Elizabeth's Neonatal Center would like to thank you (for) the quilts you made for several families babies and the hats and booties donated for the babes in the intensive care unit. They help keep the little ones warm and are just the right size for them.

We appreciate your time and thoughtfulness in making these items. We really enjoy having them available.

Who's Who in LQG

..from Martha Lane

Who's Who in the Lincoln Quilters Guild is a way for all of us to get to know one another.

We ask that everyone, regardless of quilting history, submit a profile of yourself. Include: how long you have been quilting? why you quilt? what you like best about quilting, if you prefer small quilted items over larger ones, and maybe how much time you devote to quilting in a week. You may update your profile whenever you wish.

Who's Who would like to introduce you to **Mona Jeanne Easter**. Mona Jeanne took a class with Mary Ghormley in 1979, and says "I went, I saw, and I was conquered."

Mona Jeanne has served as hospitality and scholarship chair for LQG, as well as pres-ident for two consecutive years from 1982 - 84.

Mona Jeanne has always admired quilts and the patient skillfulness of their makers. She has always sewn, and used to receive fragments of elegant fabrics from her piano teacher as a reward for good lessons. (Perhaps if we offer her fabric, she will play at the NQA banquet).

Mona Jeanne wants to try many different designs and techniques. She doesn't feel that she will ever be at a loss for what to do next. She says, "If I'm ever stuck on planning the next quilt project, there will always be a bunch of incomplete ones patiently waiting their turn under the needle."

Contribute to prizes

Remember, for the volunteers who serve during the show, we will have a nice collection of prizes. Perhaps there is something in your closet — sewing supplies, tools, patterns, fabrics, or others gizmos — that you just had to buy, but now find that you have never used. It would make a great prize for someone, and a great contribution from you.

...we even accept money!

Bonnie Burdell made the first monetary gift!

More later...
