November Speaker

Ann Bade is the 5th child of a 5th child of a 5th child. She has been in or around the Nebraska City area since her birth. She has worked numerous jobs a bookkeeper, secretary and even worked for two doctors who unsuccessfully tried to make her into a nurse.

After caring for her mother until her mother's death, Ann decided she needed something to do to keep her busy.

She came upon some blocks her mother had made for her and Ann made them into pillows. Two days later she was completely hooked and began buying fabric to make a quilt.

Since that day in 1987, she has made approximately 150 quilts ranging in size from 4 inches to king size. She joined Cottonwood Guild in 1991.

Ann has won many awards including Best of Show at the Nebraska State Fair, Best wall Quilt at the Nebraska State Fair, Best Needlework in two county fairs and other awards too numerous to mention. She has accumulated 114 ribbons at the current time.

Ann has been generous with both her time and talents as well as many raffle quilts in the past. She has also been published in Quilt Art Engagement Calendar 2000, Best of miniature Quilts, Nebraska City News Press, and Miniature Quilts magazine.

Lincoln Quilters Guild Raffle Quilt for 2006

Yes, it is that time again to start making plans for the next Quilt Show, starting with the Raffle Quilt. It has been decided that this Raffle Quilt should be a GUILD Quilt. You have the opportunity to help in the making of this quilt. We have nine members that have made or are in the process of making blocks. But we need you to make more blocks.

The blocks that we need you to make are geese blocks. You can make one or as many geese blocks as you want. For every ten blocks that you make and turn in, your name will go into a drawing for some fun fabric bundles. The instructions for making **these special** geese **blocks** are included below. **PLEASE READ** the instructions!

When choosing back ground fabric for the blocks choose white, cream, egg shell, beige, etc. Make sure that it is light. They can be tone on tones, marbles and small prints that read solid.

The goose fabric can be black, blue, or green. The blue and green can be different shades from dark to medium such as navy, indigo, royal, crayon blue, etc. Also choose marbles, tone on tone or small prints. Make sure that the prints do not have different colors in them such as red, orange, yellow, etc. Keep it in the same color family.

PLEASE PRE-WASH the fabric that you will be making your blocks from.

The deadline for turning in these blocks will be the October meeting at the Raffle Quilt Table! We are looking forward to seeing you with your wonderful colorful geese. If you have questions about the geese you may direct your inquires to Wendy Ray, Gloria Smith, or Marilyn Rembolt or email wraer@hotmail.com.

A Message from your President....

Gosh, it hardly seems like summer should be over and now it's nearly time for "the Holidays". As you look at your hectic schedules or current problems, I hope you can also slow down and reflect on your blessings as well. You will most certainly find others who have greater needs than your own.

Take a little time for yourself if you can and gather up a few items for donation to the Santa Socks project . . . maybe even sew up a Santa Sock or two! Share your quilting talent with those less fortunate. Bring these items along with your voting dollars to the November meeting.

On December 2-3 you might like to go see the tree decorated by LQG at Heritage League's Holiday of Trees event. Sue McKee with "Thursday Therapy" small group are decorating the tree for LQG. Proceeds from the event will benefit the City Mission.

Look forward to seeing all your quilting friends at the November meeting and then spending that special time with friends and family over the rapidly approaching Holidays. See you all in November!
