

On Monday, January 13, Vince Quevedo will present "*Fabric to Fantasy; Imagination Is All You Need.*" The presentation will focus on translating fabric to three-dimensional form (wearable art garments) using a myriad of traditional and contemporary techniques in manipulating fibers and fabrics. Mr. Quevedo, a senior lecturer for Textiles, Clothing, and Design, UNL, is a national and international award-winning designer. He has also been a design finalist with the American Quilters Society for 12 years and in April 2000 won the Viewers Choice Award in Paducah.

There will be no class in January. However, a registration form for Jo Morton's class "Strippy Stars" on Saturday, February 15, 2003, is included in this newsletter. Her February 10 program will be "Making Something New That Looks Old."

From Vicky Skuodas, President Elect . . .

Starting in January, I will be looking for Chairs for the various committees. If you are currently the Chair of a Committee, and you are willing to continue in your current spot, please let me know. If you are able to take a position within the Guild, give me a call to confirm your preference. The various committees are listed in the Guild directory. Please consider adding your talents to the Lincoln Quilters Guild.

Thank you - Vicky 826-5008 or gs20937@alltel.net

A Letter from the President

Hello

First I want to wish each of you a very happy Thanksgiving.
Hope many of you will be able to spend time with
family and friends. This is my year to work at
the hospital so I'll send my family to the in-law
and hope they bring home a "goodie plate".

I can't believe this is the end of another year. I seems like each year goes
by faster as I get older.

I want to thank everyone who has made these first few months of my
term as President easier. I couldn't have done it without all of you .

Special thanks to Sandy Anderson and the Mary Campbell Ghormley
Committee for all their hard work. Also special thanks to Kale Laucomer for
her hard work and decitation to the guild for designing and piecing the next
raffle quilt for the up coming quilt show.

Again thanks to each and everyone of you and a very Happy Thanksgiving.

Sheryl Jonas ,President

Resource Room

An electric broom has been purchased to facilitate clean up in the
Resource Room. It is stored in back of the curtain on the left end.
Please empty the dust cup after use. We need to keep the room neat
and clutter free, as it is used for the University Place Art Center Board
meetings and other functions. We do have additional storage space
in the basement of the educational wing. Thanks in advance for your
help.

Quilt Display in the Resource Room (University Place Art Center)

The Discover Nebraska quilts were rotated throughout the summer as
presentations were not scheduled during the vacation period. Lincoln
Quilt Guild President, Sheryl Jonas, provided her quilts for display
September 1-October 15. "Country Christmas" quilts were featured to
coincide with "Holiday Peek" at the Art Center. Carolyn Meter, LQG
Treasurer, was the featured quilter. Quilts by Elaine Nielsen and Jo
Anne Bair were also shown. The Corny Bunch has provided their
infamous "Row By Row" quilts for our current display as well as a
photograph of the bunch and their book. Thanks to Phyllis Higley,
Roxann O'Hare, Rosie Westerhold, Elaine Pieper, Tootie Clavel, Pat
Ghormley, Sandie Schulze, June Vogltanze, and Charlotte Boe for
sharing their "Row By Row" quilts.

Dear Lincoln Quilters Guild,

This is to express my thanks to the Lincoln Quilters Guild for naming the Mary Campbell Ghormley Reading Room in the new quilt building after me.

It is an honor so great that I find it overwhelming and hardly know how to handle it.

It was very unexpected. You are a great group. I'm proud of you, and "thank you" is hardly an adequate response.

-Mary Campbell Ghormley

Discover Nebraska

A HUGE thanks to Jean Ang. Jean visited Culler Middle School (two groups of English Language Learner students) on November 6. This multi-ethnic group, with students from countries including: Chile, Sudan, Iraq, Guatemala, Turkey, China, the Ukraine, Mexico and Iran, had just read the Orphan Train book and was wanting to learn more about quilting and it's history. Jean showed lots of quilts including some of the Discover Nebraska quilts and talked about the origin of quilt block patterns.

The Discover Nebraska group has presented to eight schools this semester (23 classrooms) this semester and continue to schedule for second semester. Sheila Green and Carolyn Meter presented to the Social Studies Liaisons at the Lincoln Public School's District Office. A Christmas luncheon was held to evaluate the program. Merna Phillips and Midge Reeder have joined Jean Ang, Sheila Green, Lucile Lenz, June Reta, Brenda Carlson, Carolyn Meter, Sally Gowin, Sharlee Green, Dorothy Neill, and Ginny Welty as Discover Nebraska volunteers. Please join us for fun in the classroom!

Public Lecture by *Miriam Schapiro*

February 27, 2003

7:00 pm

Sheldon Art Gallery Auditorium

(Reserved seats for "Wild by Design" Conference Participants)

Don't miss this stimulating lecture by this world renowned artist. Miriam Schapiro embraces the use of textiles as symbolic of feminine labor. She is credited with establishing the movement called Pattern and Decoration. This art movement challenged traditional Western European art by foregrounding decorative patterns and textiles from other cultures such as Chinese, Indian, Islamic and Mexican. Schapiro coined the term "femmage," which stands for the female laborer's hand-sewn work (such as embroidery, quilting, etc.) that rivals and precedes the "high-art" collage. In recognition of her important contributions, the College Art Association (CAA) recently named Schapiro recipient of its Distinguished Artist Award for Lifetime Achievement.

---Event is sponsored by the International Quilt Study Center and Sheldon Memorial Art Gallery, University of Nebraska-Lincoln.

"The Lincoln Quilters Guild is offering a **\$500 scholarship** to a worthy applicant. It is available for someone in the pursuit of research, a presentation for selected groups such as museums, schools, AQSG, and individuals testing specific products and techniques. You need not be a guild member to apply.

Application forms, with specific information are available from: Scholarship Committee, Lincoln Quilters Guild, P.O. Box 6861, Lincoln, NE 68506.

Completed applications must be postmarked by March 1, 2003, to be considered for this year's award. If you have any questions, please submit them to the committee chair. "

Thanks.

A New Line of 1840s-inspired Fabrics from the International Quilt Study Center

In 1843, Martha Knowles gathered signatures of friends and family members to incorporate into a quilt to commemorate her sister Emma's marriage. More than 100 individuals signed blocks that Martha then stitched together and inscribed "From M. A Knowles to her Sweet Sister Emma." Today the International Quilt Study Center, in partnership with the FreeSpirit fabric company, is producing a line of fabric drawn from Emma's quilt. You'll find intricate paisleys, delicate florals and dynamic geometrics to choose from, in a striking range of colors and a percentage of all sales will benefit the IQSC. Contact your local quilt shop or the IQSC for more information.
