Lincoln Quilters Guild

August 2024

From the President

Here's hoping that by the time our August meeting rolls around we'll have a break from this heat, but even the heat doesn't diminish my desire to quilt! This issue has lots of important info so get settled in and have a read!

Welcome New Members!

We are so happy to welcome the newest members of the Lincoln Quilters Guild: Marilynn Grotrian, Tanna Kinnaman, Goldie Manning, and Helen Twardzik.

Lancaster County Super Fair

It's always amazing to see the gorgeous creations of our members at the fair, but some of us may not have been able to get out to the fairgrounds. If you were part of the quilt exhibit fun at the fair, we would love for you to bring your quilts to our Monday meeting so we can do a quick county fair quilt parade to follow in the footsteps of our Cuddle Quilts creators and give everyone a chance to take a quick look at the enormous variety of talent featured this year!

Programs & Workshops

Our August speaker is Laura Piland of Slice of Pi quilts. Every quilt in this show features a unique and different technique. Bias tape applique, fabric weaving, quilt as you go, prairie points, and 3-D elements are just a few of the many examples included in the show. Be prepared to be inspired and leave ready to try something new in your next quilt. Laura's workshop will include an option to make her very popular Exploding Heart Quilt pattern. Learn more [here](#).

Exploding Heart Quilt

A WORKSHOP WITH LAURA PILAND OF SLICE OF PI QUILTS

August 13th 9:00am

International Quilt Museum, 1525 N. 33rd St., Lincoln, NE 68583

**Workshop Project
(selection of two options)**

Our September speaker is Connie Lange, a certified Judy Niemeyer instructor. Connie will share a bit of her quilting journey and feature her signature technique of fussy cutting that enhance Judy's designs. Learn more [here](#).

Our Vice Presidents for Programming will have a table set up at the meeting so you can get signed up for all of the wonderful workshops we have coming up!

Program Assistance

Our Vice Presidents for Programming will be asking for a little help during our meetings, so get your arms and shoulders in shape! We're in need of members to help serve as holders and folders during the program and show and tell. So share a little of the weight (of the quilts) to help make our meetings run!

Bess Streeter Aldrich House Quilt Show

"Mother Nature's Quilt Show" is the theme of the 2024 summer exhibit at the Bess Streeter Aldrich House, 204 E. F St., in Elmwood.

More than 100 quilts are on display at the beloved author's home, some from as far west as Gordon and McCook. Quilts also came from Ashland, Elkhorn, Fremont, Hebron, Lincoln (including some of our Lincoln Quilters Guild members), and the Otoe County Historical Society. The popular biennial event demonstrates renewed interest in quilting in recent years.

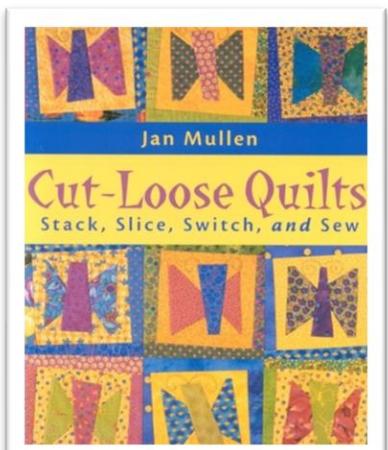

You have a few more days to enjoy the quilts on display at the 102-year-old, Prairie Mansion-style Aldrich home through Aug. 25. Hours are 1-4 p.m., Wednesdays, Thursdays, Saturdays, and Sundays. Admission is \$5 per person.

You can find out hours and other information at their [website](#).

President's Picks (from the library)

Lest you forget about our LQG Library, I'm here to remind you and share a couple of my favorite books from our guild's collection! We'll be making a bit of a change to library operations. The resource room where our collection is stored will be open from 6:30-6:55 prior to the start of the meeting for you to go down and sign out a book on the honor system, and boom, returns at the following meeting is on the honor system as well. You can see the list of our [library collection](#) on our guild website and plan out which books you'd like to check out ahead of time.

My first pick is called *Cut Loose Quilts* by Jan Mullen. This book was largely influential into my leap down the improv quilting rabbit hole! Her Wedding Ringz method was my very first improv-ish undertaking and I was hooked.

Quilts from the Quiltmaker's Gift is my second pick. This book features so many beautiful patterns that you'll see in the wonderful Quiltmaker's Gift storybook. One of my favorite things about this one is the numerous color variations they feature of each quilt included to really give you an idea of the possibilities. There is also a bit of a sentimental attachment as so many of the quilts were created by very talented quilters in my former northern Minnesota and Wisconsin home around Duluth.

Help Wanted

The work of our guild takes some cooperation and commitment of many volunteers and it's the time of year when we need you to step up and help with the continuing work of our guild by serving on a committee or our board. If you have questions or are interested in serving, please contact any of us on the board or nominations committee.

Threads Across Nebraska

It's that time of year again - Threads Across Nebraska is almost here! This annual event is taking place at the Buffalo County Fairgrounds in Kearney on October 4 & 5. Our guild has again been invited to contribute 10 large and 10 small quilts for the show. If you would like to have a quilt included in this year's event please bring it to the September meeting so we can arrange to have them transported to Kearney and please fill out the registration form included with this month's Plain Print.

Block of the Month

August Block of the Month

Medallion Frame #5

2 - 36" x 4" finished strips

A visit to the guild homepage will bring you to our mystery [Block of the Month](#). Follow along and complete the pattern from the comfort of your home quilting studio, or if you want to join with other guild members, you can come to the Bernina Sewing Center of Lincoln on the fourth Friday of the month at noon and work on your blocks together. And you can always bring your blocks to the meeting to show them off and compare color and fabric choices! If you choose to complete all blocks you'll need approximately 2-3/4 yards of Fabric A, 1-1/4 yards for both Fabrics B & C, and roughly 5/8 yard for a border if you choose to add one to the finished 44" x 52" finished product.

Programs (Rebecca Brooks & Jacque Riese)

We are pleased to introduce Rita Meyerhoff. Rita has loved hand work since she was a young girl, especially cross stitch and embroidery. In 2005 she began taking classes on Crazy quilts, and in 2008 she bought a long arm and started her business, “Heaven’s Quilts LLC.” In recent years she has opened an Etsy store to sell her embellishments: lace, trims, buttons, flowers, appliques, etc. She loves creating anything from full size quilts to pincushions, Rita has taught classes and demonstrated quilting all over Colorado. She has won numerous awards for her quilts in local Colorado quilts shows, and one Crazy quilt was juried and accepted in the Houston International Quilt show in 2015. The Denver Art Museum displayed one quilt for 6 years. In April 2019 Rita was the featured quilter at the museum’s collections and fund raisers.

Thank you Rita, for an enlightening program!

Tammy adjourned the meeting to Show and Tell.
