## Programs & Workshops

Our October speaker is Liz Granberg-Jerome of Gypsy Dreamer Quilts. Liz is known for her Hexified Panel quilts, a version of the One Block Wonder technique. Liz has long loved the challenge of a new project or technique on her quilting journey. However, like many quilters, these projects have often turned into UFOs or generated extra blocks that became orphans stranded in her stash. Thanks to a guild challenge in 2021 encouraging members to move a UFO project forward at least one step - cutting, making the blocks, turning blocks into a top, prepping for quilting, quilting, or binding - she managed to complete a number of projects over the 28+ weeks the challenge continued. Despite this progress, the list of UFOs and orphans remains long and a topic that will bring laughter, camaraderie, and inspiration as she shares her story. Learn more [here](#).

Our November meeting will be Member Appreciation and we'll have lots of stuff happening, so be on the lookout in next month's Plain Print for more details!

## **Help Wanted**

The work of our guild takes some cooperation and commitment of many volunteers and it's the time of year when we need you to step up and help with the continuing work of our guild by serving on a committee. If you have questions or are interested in serving, please contact any of us on the board or nominations committee.

## **Art Market Donations**

The Friends of the IQM are collecting donations for the Art Market (November 15 / 16 at the IQM). Our October LQG meeting will be the last time items can be brought to the church. Donations can be left in the area inside the south door (but before the steps). Remember: no books or patterns and items must be clean / in good shape. If you have donations but cannot bring them to the October meeting, please call or text Connie Soucie at 402-817-9144 or send an email to souciecl@gmail.com. She will make arrangements for delivery to her house or pick-up. Connie is also at the IQM for a meeting on October 22 (from 1 – 2 p.m.) and can meet you there at 2 p.m.

Donations will not be accepted after Friday, November 8th. DO NOT leave donations at the IQM as they do not have space. Thanks for all of your contributions!

---

## **Isles Sale**

As you are cleaning and organizing your stash over the holidays, don't forget to set aside your fabric donations for the Isles Sale in the spring!

---

## **Madonna Rehabilitation Hospitals Donations**

Madonna Rehabilitation Hospital is one the largest in the country and specializes in spinal cord injury, traumatic brain injury, stroke and other illnesses for adult and pediatric patients. The Miracle Night for Madonna Silent Auction is coming up on December 6 and helps raise money for cutting edge technology that gets patients back to living their fullest lives possible. If you are able to donate a quilt for the event please contact Deanna Walz, Director of Development.

---

## Sleep in Heavenly Peace

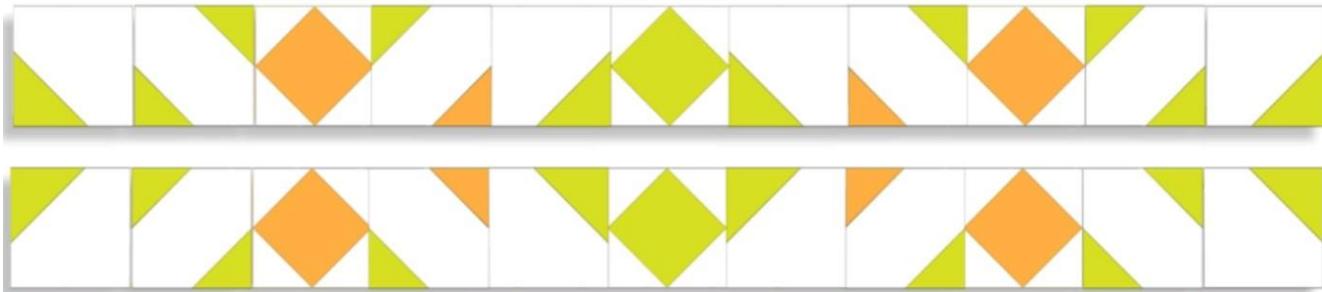

Sleep in Heavenly Peace is a new organization to Lincoln with chapters all over the country. Their mission is ensuring that “no kid sleeps on the floor in our town”, and volunteers build beds to fulfill that goal. They are also asking for twin size quilts for those beds. We’ll have a guest at our meeting to tell us a bit more about this group and in the meantime you can find out more [here: https://shpbeds.org](https://shpbeds.org).

## Block of the Month

### Medallion Frame #7

2 - 4" x 44" finished strips

A visit to the guild homepage will bring you to our mystery [Block of the Month](#). Follow along and complete the pattern from the comfort of your home quilting studio, or if you want to join with other guild members, you can come to the Bernina Sewing Center of Lincoln on the fourth Friday of the month at noon and work on your blocks together. And you can always bring your blocks to the meeting to show them off and compare color and fabric choices! If you choose to complete all blocks you'll need approximately 2-3/4 yards of Fabric A, 1-1/4 yards for both Fabrics B & C, and roughly 5/8 yard for a border if you choose to add one to the finished 44" x 52" finished product.
